Project Description

Wikipedia uses crowd-sourced information. Sometimes the information is incomplete or inaccurate. We need volunteers to regularly monitor the National Mall's Wikipedia pages, compare the information against official NPS sources, and make edits, deletions, and additions so that it is as accurate as possible.

National Mall and Memorial Parks manages approximately 150 unique sites. We will divide the work up among three volunteers to make it manageable. We will select responsibilities based on volunteer's interests, education, and experience.

The National Mall and Memorial Parks is the home of the Washington Monument, Lincoln, Thomas Jefferson, Martin Luther King, Jr., Franklin Delano Roosevelt, and other memorials. We host the annual Cherry Blossom Festival and a Independence Day celebration. We welcome over 36 million visits a year.
